By order of the Governor,

R. C. Choudhury,

Explanatory Note

There was no uniformity in the existing rate of port dues payable at the Ports of former Malabar Kasargode area and former Travancore Cochin area in the Kerala State. Further the rates of port dues were fixed in 1962 and afterwards there was no general revision of Port dues. The increase in the cost of services has become very high and hence it is felt that enhancement of rates is necessary. This is to achieve the above object.
